

Does Your Drinking Water Contain **Anti-Oxidants**?

Viaan Water Ionizers enhance the quality of normal water organically, without any chemical additives. It changes the molecular structure of water, converting ordinary tap water into a source of health and wellness.

Advantages of Viaan Ionizers

- Safe for drinking and cooking - no side effects or overdosing
- Restores organic goodness of vegetables & fruits on soaking
- Hydrogen micro-clusters offer instant hydration & rejuvenation
- Negative ORP upto -700 fights free radicals
- Increased pH level reduces acidity in the body

Proven Effectiveness of Hydrogen Water

- ➔ Widely used in Korea & Japan since 1960s
- ➔ Approved by FDA, USA as Generally Recognized As Safe
- ➔ Backed by 1000+ research and clinical trials
- ➔ Tested for 64 safety parameters in certified Indian labs
- ➔ As per WHO, BIS and EPA, drinking water with minerals between 100 - 300 PPM retains pH values from 7 to 8.5

Benefits of Hydrogen Water

- 100% Organic & Detoxifying
- Anti-Aging & Anti-Inflammatory
- Instant Hydration & Energy
- Helps In Weight-Loss & Swelling Due To Water Retention
- Reduces Oxidative Stress On Heart, Liver & Brain
- Prevents Degeneration Of Bone & Reduces Blood Acidity
- Helps Absorption Of Nutrients & Reduces Gastric Irritation

6 Issues With Regular Drinking Water

(Tap Water, UV Filtered, RO, Boiled Water)

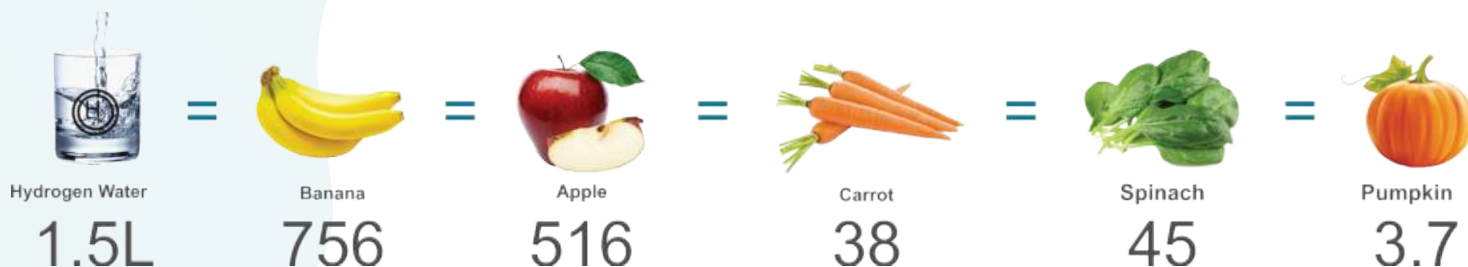

- Contaminated with chlorine, toxic chemicals & heavy metals
- Very high or very low TDS (Total Dissolved Solids)
- Low in essential minerals
- Not easily absorbed by the body
- Over purified & acidic
- Water with pH levels below 6.5 is not recommended
